

Troop 126

Important Reminders

- Sunday May 4th – Completed payments of summer camp money is due. Paperwork needs to be completed and submitted to Buckeye Council within the next few days.
- MANDATORY service hours – Each Scout is in need of service hours for rank advancement. The Troop has not completed enough projects to qualify for the needed service hours. Once again during the OLOP Blue & Gold auction the Troop committed to donating time to spread the mulch. This MANDATORY service project will take place on Saturday morning May 10. We will meet at OLOP and proceed as a Troop to the customer's home to provide our service. I would expect this to last four to five hours at most. Last year there were only two scouts to represent the Troop along with two adults.
- OA Elections will need to be held and a representative from the OA Brotherhood will be at our Troop meeting on Sunday, May 18 for the elections to take place.
- New Troop shirts have been ordered and received. If you would like to purchase new shirts the cost is \$10. Some of Troop 126 older scouts have turned in some of their used clothing. If interested please see Mr. Byham / Mr. Cerrone
